Dual Degree with Kozminski University,
in Poland. Start your degree at ISEG,
and finish it at one of the highest regarded
Universities of Finance in Europe.*

KOZMINSKI UNIVERSITY

BSc Finance provides the quantitative skills necessary to understand how financial markets function, and how businesses operate and make decisions within these markets. This program will help prepare you to enter the finance industry, whether in financial institutions, in corporations or in government institutions.

Professor Ana Venâncio | Coordinator of the BSc Finance
