PARIS-LA DÉFENSE AND LILLE CAMPUSES

THE PARIS-LA DÉFENSE CAMPUS

As France's capital, Paris is a major source of culture, history, fashion, food, and more. The city's rich cultural and historical base, coupled with its tendency to transform and develop, makes Paris an innovative and dynamic city. It was ranked 1st in the QS Best Student Cities Ranking 2015 and 2016.

Paris campus opened in 2009 in the heart of the business district of «La Défense» more precisely in the «Grande Arche», and was extended with a brand new building in September 2017. On the 16,500 m² the campus offers students 77 classrooms equipped to offer immersive hybrid teaching solutions, five multimedia rooms, one trading room, a library, two cafeterias and meeting rooms for clubs and associations.

This prime location allows the school to reinforce its links with companies and build on its already excellent reputation nationally and internationally (1 500 companies). La Défense is itself a very important economic area: the campus is close to a big shopping centre, restaurants, snack bars, cinemas, and above a RER station (transportation), 45 minutes from TGV train station Gare du Nord, 55 minutes from Paris CDG airport.

THE LILLE CAMPUS

Lille is the 3rd student city in France, French youngest and friendliest metropolis with a vibrant cultural scene and outstanding quality of life. It is the gateway to north-western Europe with 5 European capitals within a 250 km radius: IÉSEG is easily reached from Brussels (35 min), London (1h20) and Paris (1h). Landing at Paris Charles De Gaulle airport and taking the TGV fast train is the most convenient way to get to Lille (1 hour). You will discover a unique blend of European traditions, integrating the charm of French city life and with Northern European architecture and history.

On its historic location, the School has its own facilities at the heart of the beautiful *Université Catholique de Lille* campus, next to the peaceful *Jardin Vauban* and within easy walking distance from student residences and the commercial and cultural centre of Lille. On 22,500 m² the campus has 26 lecture halls, 47 classrooms, 7 multimedia rooms, 2 trading rooms, 1 library, 1 cafeteria and rooms available for school associations.

We revealed a vast renovation and extension project of Lille campus to open soon:

■ LANGUAGE OF INSTRUCTION

- > Undergraduate and Graduate: **All business courses are offered in English**

■ LIST OF COURSES

A «list of courses available for exchange students» and syllabi are downloadable on our website www.ieseg.fr > International > Study @ IÉSEG in exchange > Course list

We have been implementing **the redesign of our Grande Ecole Program (PGE)**, our flagship 5-year program in which we receive / send exchange students at Bachelor and Master level. **The redesign implies modifications in terms of course offer and choice for local students and incoming exchange students.**

From Fall 2022, incoming exchange students at bachelor level will choose courses from the 6th semester of our Bachelor cycle, taught BOTH in Fall and Spring semesters.

Fields of study:

ACC	Audit, Control, Accounting	IBE	International Economics	MKT	Marketing
CSRS	CSR and Sustainability	ITC	Intercultural competences	NEG	Negotiation
DEV	Personal Development/ People competencies	HRM	Human Resources Management	QMS	Quantitative Methods
ECO	Economics	LAN	Language	STS	Strategy and Sustainability
ENT	Innovation and Entrepreneurship	LAW	Law	OPS	Operation Management
FIN	Finance	MIS	Management in Information Systems		
Please contact Pascal AMEYE (p.ameye@ieseg.fr) for further details.					

■ COURSE LOAD

A regular semester load is 30 ECTS credits (European Credit Transfer System), and we accept a minimum of 20 ECTS from incoming exchange students. Make sure students know how many credits they need to validate.

There are extensive (semester long) and intensive (week long) courses, and the number of contact hours varies from the format and the level of the course. Courses vary between 2 and 6 credits, so they should take between 8 and 12 courses per semester to reach 30 ECTS. A semester is 13/14 weeks; 1 ECTS credit is equivalent to twenty-five hours of work (including contact hours).

■ COURSE ENROLMENT

While every effort is made to ensure the accuracy of the information available at the time this course list is prepared, the institution reserves the right to make change at any time without prior notice.

Bachelor students have access to Bachelor courses (our Bachelor cycle is 3 years).

Students who will be in their 4th year of Bachelor cycle will have to choose between either our bachelor or master-level courses.

Master students have access to Master courses.

Courses are to be chosen within the Grande École Program ONLY.

Students complete a Learning Agreement (LA) during their application process. They will also have to complete an online course selection a few weeks before the semester starts, so better keep the LA at hand.

More details on the online course selection process are the «list of courses available for exchange students».

Students will be able to see if there is any course overlap only during the mandatory orientation seminar with timetables available on our Intranet (Webaurion). Our academic advisors will help them with their course schedule.

Students should be prepared to select new courses if their initial requests are not available.

■ FRENCH AS FOREIGN LANGUAGE

Courses for beginners, pre-intermediates, intermediates and Business French for advanced levels are offered each semester at no extra cost to our partner universities.

A French language test is scheduled during the orientation week.

■ GRADING SYSTEM

Grading scale goes from 0 to 20. Grades usually are the results from a mix of written and oral examinations, essays, research papers, attendance and class participation.

The lowest passing grade for exchange students is 10/20 for Bachelor and Master courses.

A note on grades is available on the transcript which is sent to the home university at the end of the student's stay.

■ TRANSCRIPTS

Transcripts are sent to partner universities only as PDF (Beginning February for Fall semester students; Beginning July for AY and Spring semester students). They are sent once students have approved by email the draft version of the online transcript and completed all the administrative procedures (payment of all required fees and books back to the library).

Please send transcripts of grades of IÉSEG students (from Lille/Paris campus) to **Pascal AMEYE** (p.ameye@ieseg.fr) or to:

■ DOUBLE DEGREE EXCHANGE STUDENTS

Double Degree agreements are signed between IÉSEG and specific partner universities to allow their respective exchange students to get a Double Degree.

Please note the Majors from our Master in Management (PGE) (Lille & Paris):

- | | |
|--|--|
| > Audit & Advisory (Lille only) | > Asset and Risk Management |
| > Business Economics | > Digital Marketing |
| > Entrepreneurship | > Financial Management and Control |
| > Financial Transactions & Corporate Strategy | > General Management & Strategy Consulting |
| > Information Systems | > International Negotiation & Business Development |
| > Managing People and Organizations / HRM (Lille only) | > Marketing Management |
| > Operations & Supply Chain Management | |

Since Fall 2021, the following Majors are only offered on Lille campus: "Audit & Advisory (ACCA)" and "Managing People & Organizations (HRM)".

There are no Majors at Bachelor level.

Double Degree students coming through exchange agreements at IÉSEG will be considered as regular IÉSEG degree-seeking students (bachelor and master level).

When required by the Program, these students will choose courses through tools and processes used for regular Grande Ecole Program or Bachelor in International Business degree-seeking students, not through the exchange program tools. DD students will receive further information regarding the course registration by email as soon as the semester start gets closer. Students should be careful about announced deadlines.

■ STUDENTS WITH DISABILITIES

Students with Disabilities should contact the MAS referent (Mission Accompagnement Santé) to determine if there are academic accommodations that may be able to reduce their barriers in the academic environment (exam accommodations, learning resources, alternate text formatting, etc): mas-sante@ieseg.fr.

HOUSING

■ HOUSING OFFER

IESEG provides different housing options: student and private residences, as well as private housing (private landlords). Once the student is accepted into IESEG Exchange program, we send him an electronic acceptance letter. He will receive housing details by email a few weeks later.

It is on a **first-come, first-served** basis. It will be more difficult to find housing on arrival, **so we greatly advise students to book housing as soon as we contact them.**

Leasing contracts are for a one semester period minimum.

(Fall: August 1 till December 31; Spring: January 1/2 till May 31/June 30)

If your stay in France includes January 1st, the French government (*Direction Générale des Impôts*) might ask you to pay "taxe d'habitation". This council tax is mandatory and applicable to anyone, even if you moved or returned to your home country afterwards. Usually worth a month rent. Will depend on your type of housing / landlord.

Our International Services Coordinators will support students in this process, so do not hesitate to contact them for any question about housing or for assistance.

■ HOUSING INSURANCE

Students are required to subscribe an insurance to cover personal and civil liability. Coordinators will send information to students before arrival.

■ CAF HOUSING SUBSIDY

Incoming international students may be eligible for housing subsidy, based on their residence title and length of stay. The subsidy depends on the amount of rent, income, type of accommodation and its location (from €30 to €250/month). Students also need a French bank account. The month when they apply is lost (ex: if they apply in January, they will receive money from February).

Non-European citizens who have a visa with a « dispense temporaire de titre de séjour » mention or stay for less than 90 days are not eligible for CAF.

DO NOT PLAN your budget based on that financial help, as requests, if applicable, take a minimum of 2 months to be processed.

Our International Services Coordinators will support students in this process.

■ LILLE

> **Housing Offer:** On- and Off-campus housing in university and private residences, private housing (www.ieseg.fr/en/international/student-support-services-intl/housing/).

Contact: housinglille@ieseg.fr

> **Approximate Cost of Housing:** Between €450 and €800 per month, depending on type of housing and duration of stay (average of €600 per month).

■ PARIS

> **Housing Offer:** Off-campus housing in student and private residences, private housing (www.ieseg.fr/en/international/student-support-services-intl/housing/).

Contact: housingparis@ieseg.fr

> **Approximate Cost of Housing:** Between €500 and €1,200 per month, depending on type of housing and duration of stay (average of €850 per month).

ADDITIONAL INFORMATION

■ VISA

Non-European students must ask for a student long stay visa for studies (D visa), also called VLS-TS (visa de long séjour valant titre de séjour) to the French Consulate of their home country.

For stays less than 6 months, students may get a visa which exempts them from residence permit. In that case, they won't have any administrative formalities to complete upon arrival but the visa will prevent them from receiving the financial support for accommodation from the French Government. **Students should check with the Embassy what kind of visa they will receive and which possibilities this visa offers.**

Exception: Students coming for less than 90 days (due to academic trimester system in their home university) should ask for a Schengen visa.

For all questions about visa application, please check the [France Visas website](#).

You might also have to go through [the Campus France process depending on your country](#).

■ RESIDENCE TITLE

(OFII procedure - Office Français de l'Immigration et de l'Intégration)

In case non-European students have to apply for a residence title in France, we'll help them with the administrative procedure.

> **Cost:** fiscal stamp of €60 (to be paid once for the whole stay).

In case of extended period of study in France, the residence title will have to be renewed at extra costs.

■ HEALTH INSURANCE

> **European students** must ask for the European Health Insurance Card in their country. Quebec citizens must ask for the SE401 Q106. If European and Quebec citizens do not have these documents, they will have to process as non-Europeans.

> **Non-European students** (whatever their age) are obliged to register to the French health insurance, based on French Law. Coverage is from 1st of September till 31st of August at no cost, to be done once in France with our support. Students will be covered while they are in France.

We also strongly encourage them to have an international insurance, covering them for travels, lost luggage, repatriation and civil liability.

For travels in Europe, our staff will provide students with complementary information. For those who stay a complete academic year, please bring a birth certificate (with «apostille» if applicable) for the registration to the French health insurance (will also be used for housing subsidy). No need for a French translation anymore.

Since February 2019, a new law has been implemented by the French government. **From September 2019 a new medical process is required for all new incoming international students upon arrival (with the exception of students from the European Union and those who have dual French nationality):** they should prepare a medical attestation from their doctor showing that they don't carry any contagious diseases, that her/his health condition does not reveal any contraindication to her/his exchange at IÉSEG, as well as the dates when important vaccines were done such as Diphtheria, tetanus, polio, whooping cough/pertussis, Hepatitis B, Chickenpox, Meningitis, Flu, Tuberculosis). This attestation will have to be sent by email to our Health Center (CPSU) before the orientation week and it will be opened by an official general practitioner/doctor. Depending on the situation, the Health Center may call students for a medical check. **The form to fill in will be sent by email to all students a few weeks before their arrival.**

■ INTERNATIONAL CLUB

IÉSEG "International Club" is an association of voluntary IÉSEG students who studied abroad. They organize trips, parties, language café, international diners, buddy program, etc. so students will take advantage of their time in France. This association is present on both campuses (subject to COVID related restrictions).

> **Lille:** Pick-up service upon arrival can be arranged by the IÉSEG "International Club". Arrival details in Lille (in Lille-Flandres or Lille-Europe train stations) to be sent to the following address ASAP: clubinternationallille@ieseg.fr. Available on the day prior the orientation week only.

> **Paris:** CDG and Orly airports are quite well connected to the city of Paris and its suburbs through RER and bus network (clubinternationalparis@ieseg.fr).
