Fall (1st, 3rd, 5th, 7th Semesters): September - January

Spring (2nd, 4th, 6th, 8th Semesters): February - June

- **Erasmus Academic Calendar**

Courses and Schedules

ITU has **100% English Programs** in which all courses are given in English as well as **30% English Programs**. Erasmus students must register to the courses in English. The course codes ending with "E" are offered in English (i.e: KMM 102E). However, if you can show a certificate of Turkish or you are a native Turkish speaker, **you can also take the courses in Turkish**.

Students in thesis period must select the course title, "Thesis Study" for the course registration and find the appropriate thesis advisor from the faculty web-site before their arrival. Turkish language courses for foreigners are given with the code "TUR".

Course Registration Procedure

The first week of each semester is the course registration week that students enroll in the courses. Online course registration process is carried out by the Registrar's Office, with the duly signed form which is sent to students' e-mail address before and all process from beginning to end is under the responsibility of student.

The second week of each semester is the add/drop week that students make changes on the courses if necessary.

In order to receive any further information about the courses and a signature for Online Learning Agreement, Erasmus students must be in contact with **Erasmus+ Departmental/Program Coordinators**.

Students can select some courses from different departments/programs providing that they take most of the courses (at least 2/3) from their main department/program at ITU. It is highly recommended to be in contact with each **Erasmus+ Departmental/Program Coordinators** to find the most appropriate course.

Application Documents
