

**RESEARCH SCHOLARSHIP FOR HORIZON-FUNDED PROJECT BUILD
REFERENCE BUILD/001/ 2024 - HOSTED BY ISEG
MINUTES FOR THE ASSESSMENT OF CANDIDATE(S)**

1. A call for a research scholarship for a Master or PhD student for the Horizon-funded project “BUILD - Building ecosystems of person-centered integrated care through co-creation” was announced in EURAXESS with the reference BUILD/001/ 2024. The call was open from 05.06.2024 till 04.07.2024.
2. The following candidate(s) applied:

Nicolas Müller
3. The jury of the call was comprised of PhD Ricardo Granja Rodrigues (Presidente), PhD Susana Maria Ramalho Marques and PhD Amílcar Manuel Reis Moreira.
4. The jury convened on the 29.07.2024 in order to:
 - i) Assess the CV of the candidate(s) in reference to its academic training and professional career, competences in programming in R, experience in carrying out research work and publishing in the area of the social sciences.
 - ii) Evaluate the motivation letter of the candidate(s);
 - iii) Carry out online interview(s) with the candidate(s).
5. The following scores were attributed to the candidate Nicolas Müller, who had an intermediate score of 77.5/80.

Candidate	CV (70%)	Motivation letter (20%)	Interview (10%)
Nicolas Müller	85 pontos	90 pontos	85 pontos

6. Given the overall adequacy of the candidate’s CV, his motivation for applying and prior work experience, his acceptance for the PhD program in Population Studies and its interview, the jury attributed an overall final score of 86/100 to the candidate Nicolas Müller.
7. Given the candidate’s academic training, its overall level of success in quantitative methodology courses, level of proficiency in R and linear regression and the above-mentioned acceptance in a PhD program, the jury has decided to attribute to the candidate Nicolas Müller, the research scholarship in question, whose research workplan will be supervised by PhD Ricardo Granja Rodrigues.
